

## Transportation Function

**F. Transportation Function:** This function involves efforts related to the movement of people, goods, and services and their regulation.

**60XXXXX, Ground Transportation Subfunction:** Efforts to plan, develop, maintain, and regulate all forms of ground transportation.

**6010000, Ground Transportation Regulation:** Efforts to regulate the operation of ground transportation modes through registration, licensing, taxation, and other activities.

6010100, Highway Vehicle and Driver Regulation: Efforts to title, train, test, and license vehicles and drivers using the highway system; to identify businesses that are permitted to sell vehicles according to specified conditions; and to regulate rates and routes for the transportation of persons and goods. [Eff. 7/1/94]

6010200, Railroad Regulation: Efforts to regulate railroad transportation within the state.

6019900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

**6020000, Ground Transportation System Planning and Research:** Efforts to plan and design a system of ground transportation, including the planning and design of particular ground transportation projects.

6020100, Ground Transportation System Planning: Efforts to plan a comprehensive system of ground transportation, including the planning of particular ground transportation projects, through surveying, mapping, and studies.

6020200, Ground Transportation System Research: Efforts to design a comprehensive system of ground transportation, including the design of particular ground transportation projects.

6029900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

**6030000, Highway System Acquisition and Construction:** Efforts to acquire land for, prepare detailed plans for, and construct roads of the interstate, urban, primary, and secondary highway systems.

6030100, Engineering: Efforts to provide detailed plans and other engineering services necessary prior to highway and road construction.

6030200, Access Roads and Other Construction: Efforts to have access and types of roads other than interstate, urban, primary, and secondary roads constructed.

6030300, Interstate Construction: Efforts to have interstate highways constructed.

6030400, Primary Construction: Efforts to have primary highways constructed.

6030500, Rights-of-Way Acquisition: Efforts to identify and acquire rights-of-way for the construction of road and highway systems.

6030600, Secondary Construction: Efforts to have secondary roads constructed.

6030700, Urban Construction: Efforts to have urban roads constructed.

6030800, Critical Highway Construction: Efforts to provide a temporary mechanism reserving appropriations for critical highway construction projects as proposed by the Highway and Transportation Board and approved by the Governor.

6030900, Construction Management: Efforts to manage the highway construction program.

6031000, Primary Highway Transportation Improvement District Construction: Efforts to provide for the acquisition of rights of way, utility adjustments, engineering, and construction of Route 28.

6031100, Transportation Improvement District Debt Service: Efforts to service debt for the Route 28 Highway Transportation Improvement District. [Rev. 7-1-93]

6031200, Designated Highway Corridor Development Programs: Efforts to provide adequate, modern, safe, efficient highways along designated corridors to include preliminary engineering studies, utilities relocation, rights-of-way acquisition, and construction. [Eff. 7-1-90]

6031300, Financial Assistance for Roads and Other Construction: Efforts to provide financial aid for secondary and access road construction. [Eff. 7-1-93]

6031400, Designated Construction for the Priority Transportation Fund: Efforts to provide appropriations for priority transportation projects as proposed by Chapter 1019 of the 2000 Acts of Assembly. [Eff. 7-1-00]

6039900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

**6040000, Highway System Maintenance**: Efforts to maintain the interstate, urban, primary, and secondary highway systems of the state.

6040100, Interstate Maintenance: Efforts to maintain interstate highways.

6040200, Primary Maintenance: Efforts to maintain primary highways.

6040300, Secondary Maintenance: Efforts to maintain secondary highways.

6049900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

**6050000, Ground Transportation System Safety**: Efforts to promote the safe transport of people and goods over the ground transportation system of the state.

6050300, Ground Transportation Safety Promotion: Efforts to promote safety on the ground transportation system through advertising, public education, training, and financial assistance.

6050400, Ground Transportation Safety Research and Analysis: Efforts to determine, through research on accidents, and their causes, and to identify solutions, either technological, regulatory, or educational, which will contribute to ground transportation safety.

6050500, Vehicle Safety Regulation: Efforts to ensure that private, public carrier, and common carrier vehicles meet minimum safe standards for operation on the state highway system.

6050700, Financial Assistance for Transportation Safety: Efforts to administer federal and private grants, provide training, and coordinate ground transportation safety activities for the benefit of local governments. [Eff. 7-1-93]

6059900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

**6060000, Toll Facility Operations:** Efforts to operate toll facilities in the state highways system.

6060100, Total Facility Acquisition and Construction: Efforts to acquire and construct ground transportation toll facilities.

6060200, Toll Facility Debt Service: Efforts to provide debt service for ground transportation toll facilities.

6060300, Toll Facility Maintenance and Operation: Efforts to maintain and operate ground transportation toll facilities.

6060400, Toll Facilities Revolving: Efforts to acquire, construct, and operate ground transportation toll facilities.

6069900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

**6070000, Financial Assistance to Localities for Ground Transportation:** Efforts to provide monetary support to localities for capital improvements and/or maintenance of roads and/or transportation facilities.

6070100, Financial Assistance for City Road Maintenance: Efforts to provide monetary support in lieu of maintenance to localities for road construction and upkeep where such localities have elected to maintain their own systems.

6070200, Financial Assistance for County Road Maintenance: Efforts to provide monetary support to counties electing not to include their roads in the secondary system of state highways.
